### D) Video Presentations (VP) Guidelines Selected For Podium Presentation

The quality of the meeting is extremely dependent on how you present your work, and the ESPU Scientific Committee would like to remind you of a few key points:

- Do not give too long an introduction.
- Do not exceed the time limits: 5 minutes for presentation, 3 min discussion.
- Hand in your presentation at least 2 hours prior to the session at the Speakers' Service Centre.
- Please check the more detailed instructions enclosed.
- This year we will be very strict with the time of presentations (5 min for video).

Since we consider time for discussion as essential, you will be asked to conclude when your time is out. Selected videos will be presented during a podium session, and then the discussion takes place with the presenter at the podium.
